

Student Management System

User Manual

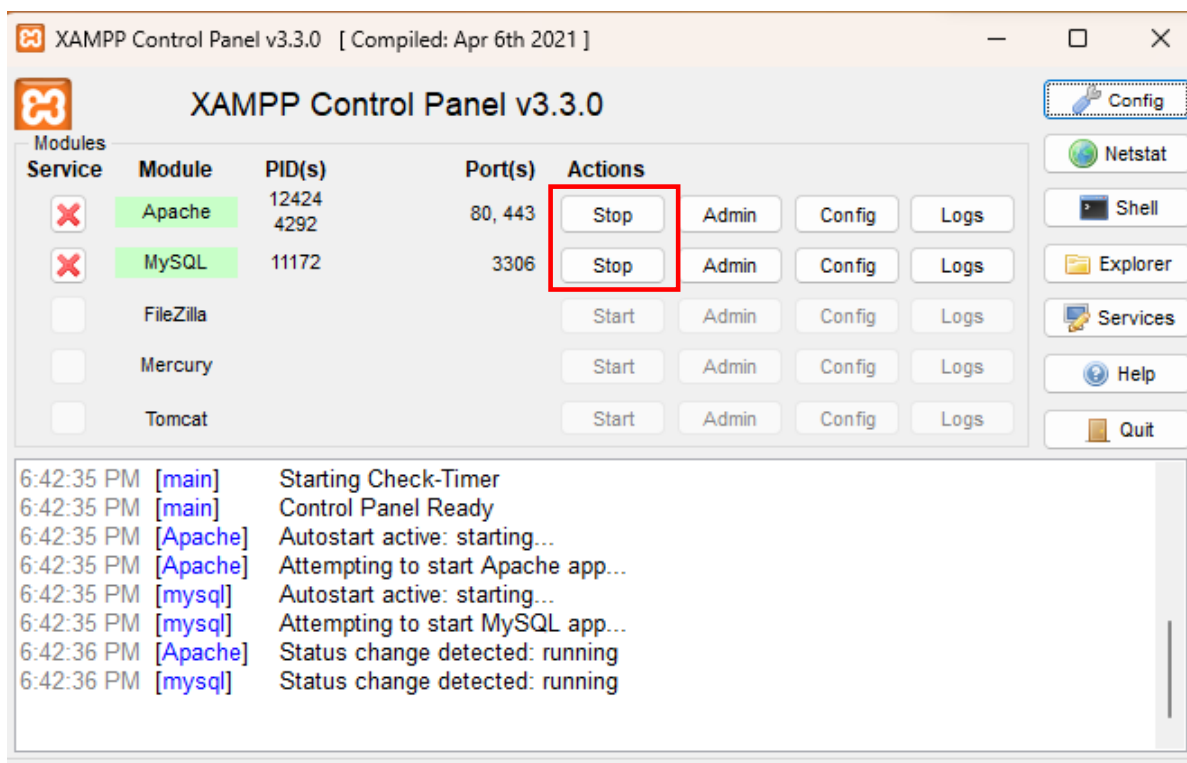

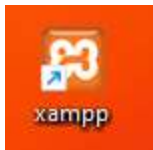

Introduction:

Welcome to the Student Management System (SMS)! This user-friendly software is designed to streamline student data management, academic tracking, and communication for educational institutions. This manual will guide you through the basic functionalities of SMS and empower you to effectively manage student information.

Getting Started:

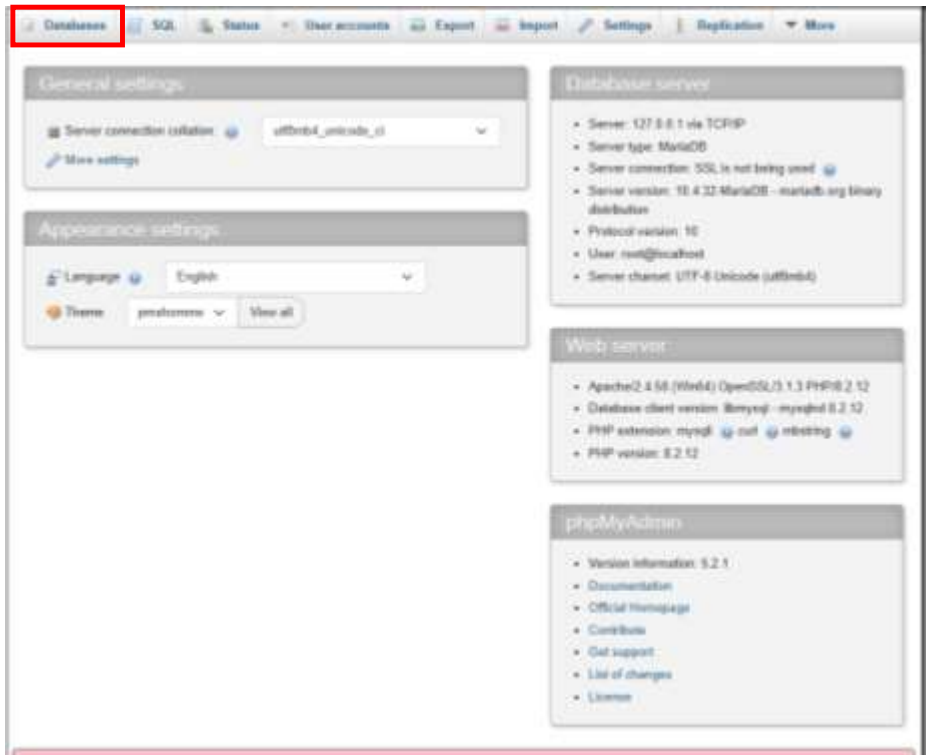

Step 1:

Open Xampp and Start the SERVER and MYSQL

Step 2:

Open any Brower and type (*localhost/phpMyAdmin*),
Then, Create Databases as shown below.

Step 3:

Create 3 Databases named:

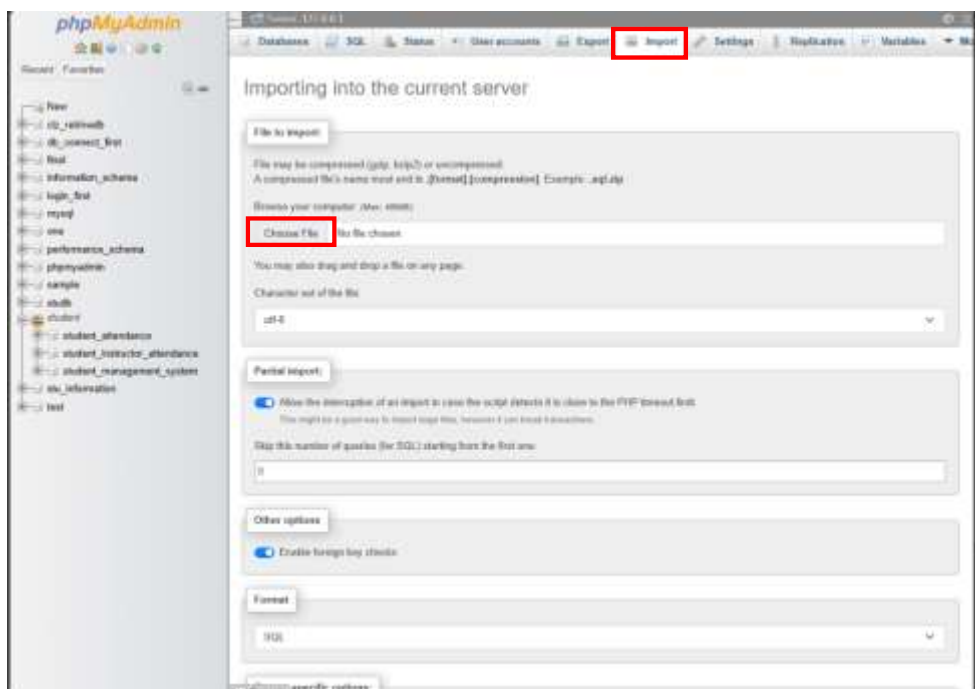

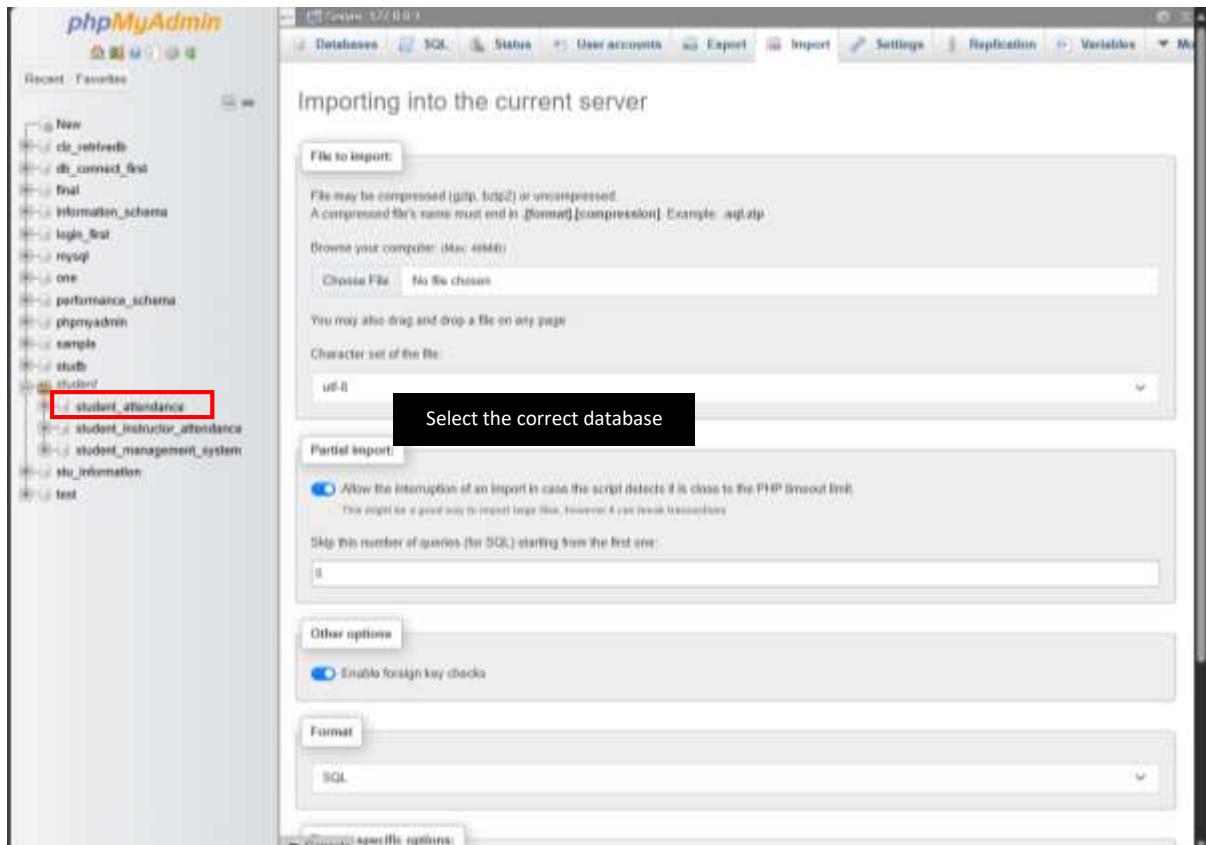

student_attendance

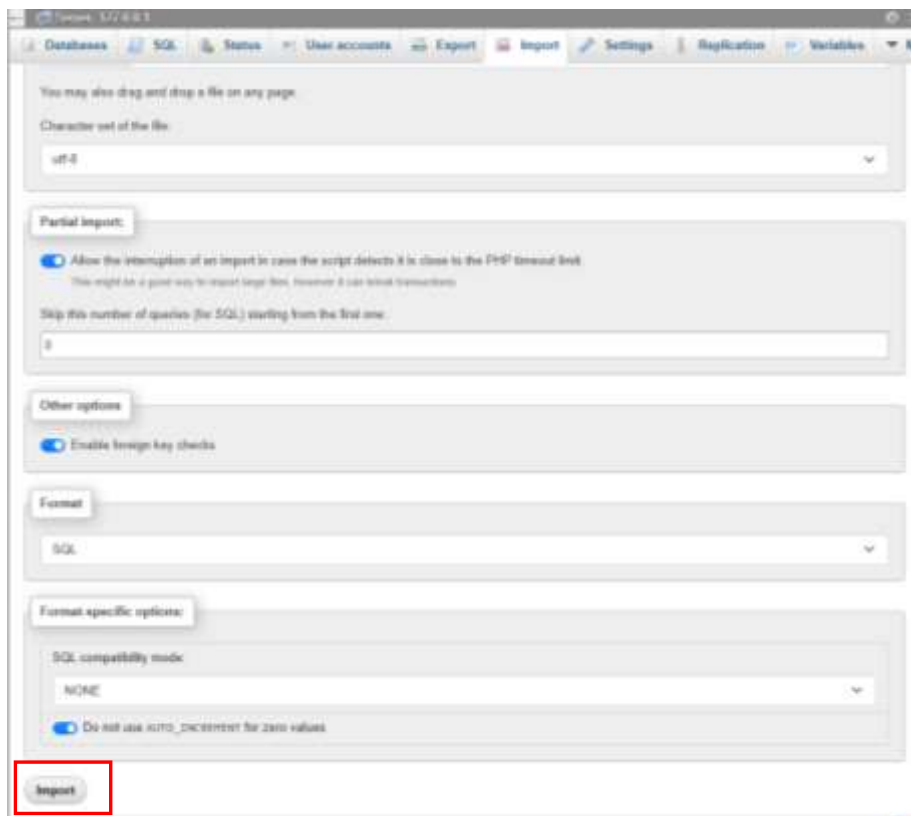

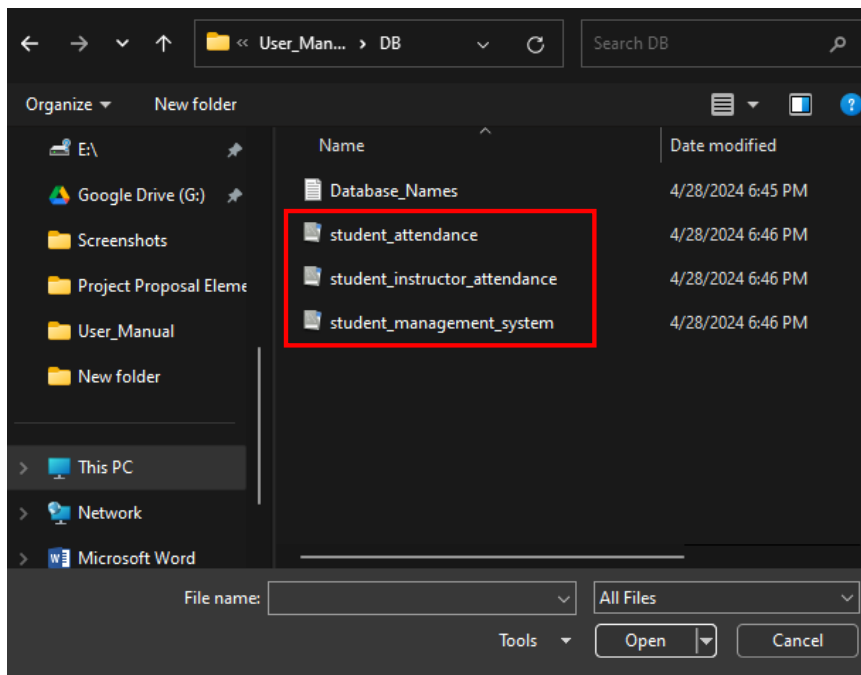

student_instructor_attendance

student_management_system

Step 4:

Import the given *.sql* files as shown below
(*sql files are available in DB folder*)

Step 5:

Open the project

Select your roll

A screenshot of a web application interface for a "STUDENT MANAGEMENT SYSTEM". The interface is split into two main sections. The left section has a dark red background and features a circular illustration of a person's head and shoulders next to a computer monitor displaying a key icon and three asterisks. Below this illustration, the text "STUDENT MANAGEMENT SYSTEM" and "@ M.Dhanush" are visible. The right section has a dark red background and is titled "FORGOT" in large white letters, with "USERNAME / PASSWORD" in smaller white letters below it. It contains two input fields: "Email" with an envelope icon and "Code" with a speech bubble icon containing "xxx". At the bottom of the right section are two red buttons labeled "Verify" and "Send Code". A close button "X" is in the top right corner.

Instructor Login

The image shows a mobile application interface for an "Instructor Login" screen. On the left, there is a green sidebar with a white back arrow at the top. It features a cartoon illustration of a male teacher with brown hair, glasses, and a mustache, wearing a brown suit and holding a red book. Below the illustration, the text "STUDENT MANAGEMENT SYSTEM" is displayed in white, and "@M.Dhanush" is at the bottom. The main area has a yellow background with a white "X" close button in the top right corner. The title "Instructor Login" is in large white font. Below it are two input fields: "Username" with a person icon and "Password" with an eye icon. A dark grey "Login" button is positioned below the password field.

Verification

The verification screen is split into two panels. The left panel has a dark blue background and features a large white key icon with three asterisks below it. The text 'STUDENT MANAGEMENT SYSTEM' and '@M.Dhanush' are at the bottom. The right panel has a light blue background and a close button (X) in the top right. It displays the title 'FORGOT' and the subtitle 'USERNAME / PASSWORD'. The form includes an 'ID' field with a dropdown menu showing 'Select your ID..', an 'Email' field with an envelope icon, and a 'Code' field with a speech bubble icon containing 'XXX'. A timer '00' is shown next to the code field. At the bottom are two buttons: 'Verify' and 'Send Code'.

After the verifications Reset the Login Details

The reset screen is split into two panels. The left panel has a dark blue background and features a large orange padlock icon with a blue arc above it. The text 'STUDENT MANAGEMENT SYSTEM' and '@M.Dhanush' are at the bottom. The right panel has a light blue background and a close button (X) in the top right. It displays the title 'Reset' and the subtitle 'PASSWORD'. The form includes fields for 'Old Username' (pre-filled with 'Oshada111'), 'Old Password' (pre-filled with 'Oshada@111'), 'New Username', 'New Password', and 'Retype Password'. The 'New Password' and 'Retype Password' fields have eye icons to toggle visibility. At the bottom is a 'Confirm' button.

Student Login

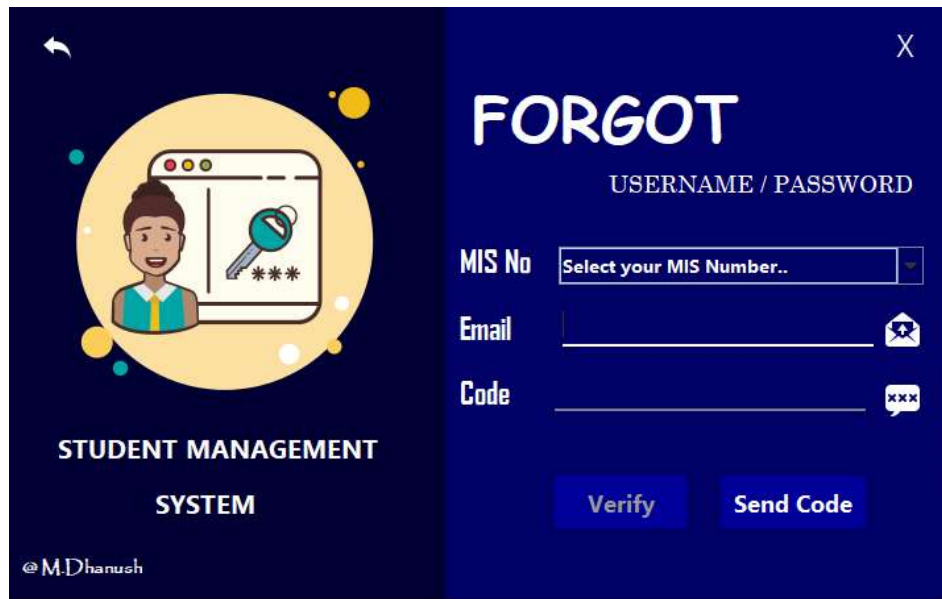

The screenshot shows a user login interface for a 'STUDENT MANAGEMENT SYSTEM'. On the left, there is a dark blue sidebar with a white back arrow at the top left, a cartoon illustration of a person with brown hair and a light blue shirt, the text 'STUDENT MANAGEMENT SYSTEM' in white, and the text '@M.Dhanush' at the bottom. The main area has a dark blue background with the title 'USER LOGIN' in large white letters. Below the title are two input fields: 'Username' with a white underline and a user icon, and 'Password' with a white underline and an eye icon. Below these fields are two blue buttons labeled 'Login' and 'Register'. At the bottom of the main area, there is a link that says 'Forgot Username / Password' in a smaller white font.

If login details are forgot

This screenshot is identical to the one above, but with a yellow rectangular box highlighting the 'Forgot Username / Password' link at the bottom of the main area.

Verify Send Code

The interface features a dark, industrial aesthetic with glowing red neon outlines and lights. The title 'VERIFY EMAIL' is prominently displayed at the top. Below it, the email address 'test@gmail.com' is entered into a field. A code entry field is positioned below the email field. At the bottom, there are two buttons: 'Verify' and 'Send Code'. The background includes various mechanical details and red light indicators, giving it a high-tech, cyberpunk feel.

We hope this user manual provides a helpful introduction to the Student Management System. For further assistance or advanced features, please consult your system administrator or refer to the detailed online help resources.
